

TGR FOUNDATION

A TIGER WOODS CHARITY

Title: Learning Facilitator/Instructor

Salary: \$40,000 - \$50,000 plus fringe benefits

Status: Full Time

Start Date: Immediately

The TGR Foundation is recruiting an experienced **S.T.E.M.** educator to work in a unique learning program at the TGR Learning Lab in Anaheim, California. The individual selected will enjoy an exceptional professional opportunity to provide support for an innovative Learning Lab concept that will serve as a model for other communities. If you love to explore new ideas and thrive in an environment that prepares young people for a future career, then check out this career opportunity.

Our Goal

The goal of the TGR Learning Lab is to provide youth with the right tools, instruction and environment that will allow them to explore, shape and clearly articulate-from a point of experience-their visions for their futures.

Position Description

Learning Facilitators are responsible for developing and maintaining operational excellence with students, co-workers, volunteers and the general public. This is a full-time position in a variety of science, technology, engineering and math (STEM) career based classrooms. The individual selected will assume the position of an instructor and related duties for students in grades 5 -12 as assigned.

Essential Duties & Responsibilities

Facilitate STEM learning experiences that engage students in problem-solving, critical thinking and reflective learning.

- Establish a culture of high expectations that includes college and career preparation for all students.
- Plan instruction and design STEM learning experiences for students.
- Provide students and their families with regular and timely information on classroom activities and student progress.
- Demonstrate strong interpersonal skills consistent with a positive youth development environment.
- Identify unique student needs and collaborate with other team members.
- Interact effectively with co-workers, volunteers and the general public.
