

JOB TITLE: Learning Facilitator
LOCATION: Anaheim, CA
STATUS: Full-Time

ORGANIZATION:

For 25 years, TGR Foundation has worked to create a world where opportunity is universal and potential is limitless. With an unwavering commitment to impact underserved youth, its mission is to empower students to pursue their passions through education. Through innovative STEM coursework, college-access programs, digital platforms and educator professional development, TGR Foundation provides resources and support to help youth connect their passions to their purpose. Since its launch in 1996, TGR Foundation's education and outreach programs have reached two million youth worldwide.

POSITION DESCRIPTION:

Learning Facilitators are responsible for developing and maintaining operational excellence with students, co-workers, volunteers and the general public. This is a full-time position in a variety of science, technology, engineering and math (STEM) career-based classrooms. The individual selected will assume the position of an instructor and related duties for students in grades 5-12 as assigned. This is a hybrid position that will require both virtual and in-person responsibilities.

ESSENTIAL DUTIES & RESPONSIBILITIES:

- Plan, design and facilitate STEM learning experiences that engage students in problem-solving, critical thinking and reflective learning at the TGR Learning Lab, Anaheim and in partner schools.
- Establish a culture of high expectations that includes college and career preparation for all students.
- Provide students and their families with regular and timely information on classroom activities and student progress.
- Demonstrate strong interpersonal skills consistent with a positive youth development environment.
- Identify unique student needs and collaborate with other team members.
- Interact effectively with co-workers, volunteers and the general public.

EDUCATION, EXPERIENCE & SKILLS:

Learning Lab Learning Facilitator preferably will have past involvement in educational programs for youth and experience in science, technology, engineering or math. In addition to:

TGR FOUNDATION
A TIGER WOODS CHARITY

- Able to work Monday/Wednesday: 8:00am-5:00pm; Tuesdays/Thursdays: 8:30am-5:30pm; Fridays: 8:00am-5:00pm and occasional Saturdays.
- Bachelor degree and valid single subject teaching credential in a STEM content area is highly preferred.
- Valid driver's license and/or a means of reliable transportation.
- Content knowledge and/or experience in science, math, computer science or engineering.
- Design curriculum and procure materials and supplies for STEM activities.
- Familiarity with educational technology, knowledge of diverse student needs and different learning styles is essential.
- Ability to integrate technology creatively into lessons and activities.
- Support the TGR Foundation mission, vision, and core values.
- Have strong organizational skills, be a self-starter, and an excellent communicator both verbally and in writing.
