

Earl Woods Scholar Mentor Program

The Program: In celebration of Earl Woods' lifelong dedication to helping young people achieve their dreams, TGR Foundation, A Tiger Woods Charity created the Earl Woods Scholar Program. Students awarded the four-year renewable scholarship; demonstrate outstanding academic achievement, financial need and a commitment to community. In addition to the financial assistance for tuition, books, travel home or winter clothing, each Earl Woods Scholar (EWS), receives a dedicated mentor, specialized internships and tailored professional development workshops. Scholars are chosen from select U.S. cities and attend prestigious colleges and universities across the country such as Harvard, Georgetown, USC and UCLA.

The Mentor: Each Earl Woods Scholar is partnered with a dedicated mentor, who serves as an advocate, career coach, personal advisor and role model throughout their college experience. The mentors provide their scholar with advice and resources needed to help them succeed with their chosen degree and develop skills necessary for their professional career.

MENTOR EXPECTATIONS/GUIDELINES:

- Responsible, caring and passionate about the success of young people
- Demonstrates the importance of service and giving back to community
- Attends orientation at beginning of program
- Can commit to a 2-4 year Mentor/Scholar relationship
- Commits to communication once a month with Scholar via in-person meetings, emails or phone calls
- Commits to attend at least one Earl Woods Scholar Program event per year
- Participates in a standard background check

If you are interested, please email: agutierrez@tgrfoundation.org or call (714)

765-8000. **Additional Information:**

- TGR Foundation is seeking professionals with passion and leadership.
- The Mentor will be asked to complete an in-person or phone interview in order to best match their profession, attributes and qualities with a potential Scholar.
- TGR Foundation will consider the Mentor's location, availability and accessibility as a strong consideration for a sustainable match.
- TGR Foundation will take a 'hands-on' approach to assist in the sustainability of the Mentor/Scholar match.
