TGR FOUNDATION

JOB TITLE: Learning Facilitator
LOCATION: Anaheim, CA (In Person)
STATUS: Part-Time
HOURLY RATE: $22.00 -$25.00

ORGANIZATION:
TGR Foundation is a leading education nonprofit founded in 1996 by Tiger Woods. With a commitment to providing opportunities that unlock the unlimited potential in the lives of young people from under-resourced communities, its mission is to empower students to pursue their passions through education. In 2026, TGR Foundation is celebrating 30 years of driving dreams together. Through its TGR Learning Labs and signature education programs focused on science, technology, engineering, arts and math (STEAM) educational enrichment, career and college readiness and health and well-being, TGR Foundation has served more than 217,000 students. POSITION SUMMARY:
Reporting to the Director of Programs, the Learning Facilitator designs and delivers engaging, hands-on STEAM learning experiences with a focus on multimedia. This part-time role supports programs including After-School Courses, Saturday Workshops, Clubs, and Special Events for students in grades 5–12.

The facilitator will serve as both a part-time instructor and a collaborator—developing curriculum and inspiring curiosity and creativity in every student.

ESSENTIAL DUTIES & RESPONSIBILITIES:

Curriculum & Instruction

- Design and deliver project-based STEAM lessons emphasizing multimedia.
- Integrate hands-on activities, experiments, and real-world applications to deepen learning.
- Plan and lead at least four Saturday workshops annually.
- Manage an engineering club or team and co-plan at least three special events each fiscal year.
- Collaborate with instructors and program directors to align lessons with TGR Learning Lab goals and partner school needs.

Assessment & Feedback

- Use formative and summative assessments to track student learning and growth.
- Maintain accurate attendance and survey data.
- Prepare reports and presentations that highlight program outcomes and student progress.

Collaboration & Leadership

- Collaborate with Instructors and Learning Support staff.

- Coordinate with peers to develop new curriculum and share best practices.
- Maintain budgets and inventories for classroom materials and equipment.
- Support internal and community events as needed.

Engagement & Outreach

- Facilitate workshops at schools and community events to promote TGR Learning Lab programs.
- Build strong relationships with students, families, volunteers, and community partners.
- Participate in professional development to stay current with STEAM and instructional trends.
- Serve as a role model and advocate for student growth, curiosity, and lifelong learning.

EDUCATION, EXPERIENCE & SKILLS:
Part-time learning Facilitator will have past involvement in educational programs for youth and experience in engineering. In addition to:

- Ability to work Monday through Thursday, 2:00 pm – 6:30 pm and up to six Friday evenings and ten Saturdays.
- Experience working with youth in an educational setting.
- Bachelor's degree or equivalent experience in STEAM education or youth programs.
- Reliable transportation to and from program sites.
- Passion for inspiring and engaging under-resourced youth in STEAM education.
- Strong organizational, communication, and interpersonal skills.
- Familiarity with educational technology and ability to adapt lessons for diverse learning needs.
- Commitment to TGR Foundation's mission, vision, and core values.
